FOR THE SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION**

IN RE:	§	
	§	CASE NO. 17-34283-H1-7
ROBERT REYNOLDS FRETZ, JR.,	§	(CHAPTER 7)
DEBTOR	§	JUDGE ISGUR
	§	

**Trustee's Expedited Motion to Withdraw
Amended Motion to Show Cause
(Relates to Docket Entry Number 53)**

This motion seeks an order that may adversely affect you. If you oppose the motion, you should immediately contact the moving party to resolve the dispute. If you and the moving party cannot agree, you must file a response and send a copy to the moving party. You must file and serve your response within 21 days of the date this was served on you. Your response must state why the motion should not be granted. If you do not file a timely response, the relief may be granted without further notice to you. If you oppose the motion and have not reached an agreement, you must attend the hearing. Unless the parties agree otherwise, the court may consider evidence at the hearing and may decide the motion at the hearing.

Represented parties should act through their attorney.

TO THE HONORABLE MARVIN ISGUR, U.S. BANKRUPTCY JUDGE:

Rodney Tow, Trustee, files this Trustee's Expedited Motion to Withdraw Amended Motion to Show Cause (Docket Entry Number 53) and would show the Court as follows:

1. On Thursday, October 17, 2019, the Trustee received from the Debtor's attorney a cashier's check in the amount of \$55,000. These funds were intended to repay the estate all of the \$50,000 distribution it was entitled to receive in December 2018 and to partially repay all of the attorney fees incurred by the Estate relating to these funds. The Debtor is requesting time to pay the remaining balance of attorney fees. That balance would have been approximately

\$3,000 but will be slightly higher since some preparation for the hearing has occurred. The Debtor and the Trustee intend to file a Motion to Compromise relating to the payment of the remaining attorney fees. The Motion to Compromise will not compromise the revocation of discharge issue. However, as explained below, if the estate is made whole the Trustee plans not pursue a revocation of discharge unless instructed otherwise.

Facts

2. On December 13, 2018 the Debtor received a \$50,000 wire transfer into his account related to the sale of a building owned by a partnership called SNB 412 Main (the “Partnership”). The Debtor, and subsequently the Estate, owned a 6% interest in the Partnership. The receipt of those funds occurred one day after the Trustee informed the Debtor that the Trustee was “trying to figure out how to deal with the partial interest in that real estate.” Despite knowing that the Trustee was working that interest, the Debtor did not inform the Trustee of the receipt of the funds and the Debtor spent the funds in the following month.
3. When the Trustee finally learned that the distribution had occurred he began demanding turnover of the funds.¹ When the funds were not turned over, the Trustee filed the Motion for Show Cause Hearing and to Revoke the Debtor's Discharge Pursuant to 11 U.S.C. §727(d)(2). (Docket No. 50). On September 4, 2019 the Court denied the Motion without prejudice. (Docket No. 51). But, earlier in the day the Debtor had contacted the Trustee seeking to repay the funds and make the estate whole by repaying the \$50,000 plus attorney fees. The Debtor delivered a check in the amount of \$57,039.10 which would have

¹A more detailed description of the events is included in the Amended Motion to Show Cause (Docket No. 53).

eliminated any loss to the estate as of that time. The Trustee waited for what he believed was a sufficient time for the check to clear and once the Trustee believed the check had cleared, on September 12, 2019 the Trustee prepared a Status Report stating that since the estate had been made whole “the cost of litigating an objection to discharge would outweigh the advisability of pursuing the discharge revocation.” (See Exhibit A, paragraph 8). The Trustee sent the Status Report to the US Trustee to review. Later that day, the Trustee learned the check did not clear. He notified the US Trustee and did not proceed with filing the Status Report.

4. The Trustee then filed the Trustee’s Amended Motion for Show Cause Hearing (Docket No. 53). Subsequently the Debtor’s attorney contacted the Trustee about the returned check, he told the Trustee that he thought the Debtor could still borrow the funds from a friend but the friend was concerned that the discharge action would still proceed. The Trustee and Debtor attorney discussed that a discharge action cannot be compromised and that any resolution of this matter would not affect the Trustee’s ability or other statutorily authorized parties’ ability to pursue a discharge revocation. After a few days of considering it, the Trustee believed he could share the Status Report with the Debtor’s attorney and he did so.
5. With no assurances of any sort, the Debtor through his attorney, sent the estate the \$55,000 cashier’s check mentioned above. The Debtor also requested a payout of the remaining fees.

Based on the foregoing, the Trustee requests the Court authorize the withdrawal of the Trustee's Expedited Motion to Withdraw Amended Motion to Show Cause, and cancel the hearing currently set for October 23, 2019 at 11:00 AM and for such other and further relief as is just.

Respectfully submitted,

/s/Rodney Tow
